CoWork's Spaces and Services

GENERAL WORKSPACES

CoWork's peaceful workstations and restaurant tables are available to you. CoWork also offers a variety of other options for your work and inspiration.

QUIET WORK SPACE

The quiet workspace on CoWork's 2nd floor provides you with a calm environment when you need to focus on work without distracting commotion. The quiet workspace has eight workstations equipped with electric standing desks, displays, mice, keyboards, and various adapters.

PHONE BOXES AND MEETING BOXES

You also have access to the Phone Boxes, which are soundproofed single-person booths for taking calls and participating in online meetings privately and without distracting others. Available on both floors. In addition, CoWork has bigger Meeting Boxes that you can book for an additional fee. See page 4 for more information.

SISÄRINKI (INNER CIRCLE)-MEMBERSHIP PROGRAM

The Sisärinki Membership Program is a comprehensive loyalty program for KPY Novapolis' customers. It works both online and on mobile. Sisärinki offers you many local and nationwide benefits for different aspects of life, such as your home, free time, travel, wellness, and driving. We also offer monthly campaigns and raffles.

The services above are included in CoWork's Day Passes and Monthly Passes, except for the Sisärinki Membership Program, which is only included in CoWork's Monthly Passes.

Company Pass

The Company Pass is a membership deal for Novapolis' client companies and organizations, and the price is based on the size of the company's staff.

The monthly fee covers all company personnel.

MEETING BOXES

CoWork's Meeting Boxes, different-sized soundproofed booths for small and large meetings, are available on both floors. The Meeting Boxes have privacy film on their windows, and they are outfitted with desks, couches or chairs, Poly Studio's video and soundbar systems, and WiFi. Meeting Box reservations are free of charge during lunchtime, 10:30–13:00.

POSTAL ADDRESS AND POST SERVICE

You have the option to reserve a postal address and get post services for your company at CoWork / Microkatu's M-section. You can pick up your mail at the lobby.

GIGA MEETING AND WEBINAR STUDIO

All kinds of webinars, digital events and online meetings are a core part of the modern workday experience. Giga Meeting and Webinar Studio makes organising them and recording podcasts flexible and effortless. The reservation fee includes access to all the easy-to-use equipment and furnishing in the space

RESTAURANT

CoWork's **Tastory Origo** restaurant invites you to have a memorable lunch break. Fresh, seasonal ingredients bring variety and freshness to the dishes. **Hav a Java** café's baristas create refreshing coffee drinks for your inspirational breaks. Meet people, exchange thoughts and immerse yourself in interesting conversations.
